

INTRODUCTION TO THE ENNEAGRAM

Join us for an enlightening evening exploring the Enneagram and its transformative power.

**Monday, Oct. 21
6:00PM - 9:00PM**

The Enneagram is an ancient, yet modern tool to help us reflect on how we view the world, our neighbors and ourselves. It conveys a system of knowledge about nine distinct but interrelated personality types or nine ways of seeing and experiencing the world. This workshop will show attendees how to apply Enneagram lessons for daily living and growth.
